

Mate Points

Legacy and L'Olifant mouthpieces have different mate points to allow for the smoothest transition from rim to cup. Legacy and L'Olifant components are compatible within the following categories:

Category 1:

L'Olifant A cups and Rims. Legacy R cups and B, C and D rims

Category 2:

L'Olifant B cups and Rims. Legacy R* cups, KH2 cup and B*, C* and D* rims

Category 3:

L'Olifant C cups and Rims.

The traditional .660 inch mate point is closest to category 1.
